community at thehive

We have a strong sense of community at the hive and significant links to the North Somerset business community which is invaluable at any stage of your business. Our mission is to offer plenty of opportunities to meet, discuss, learn from and exchange ideas with other start-ups and fledgling businesses.

There are many opportunities to get involved in our thriving community. The Hive Business Club is a good start. Why not check it out and come along <https://hivebusinesssupport.org/community/>

Leasing an office at the hive

We have offices of various sizes with an easy in, easy out policy. The hive is a managed office building with a dedicated customer service team, a business lounge, meeting rooms, a kitchen on each floor and free parking onsite. The rooms can be tailored to meet your desk and IT layout needs. Alternatively, we offer the convenience of a virtual office service which means you can work remotely.

We have several services and opportunities that will suit growing businesses down to the ground including:

- Business advice & coaching
 - Practical skills training
 - Specialist & business information
- Local contacts & further support
 - Access to funding opportunities
 - Networking
- Access to business clinics

Meeting space at the hive

The hive offers everything you need for a successful business meeting. Whether a quick huddle, a more formal working session, a networking event, or a conference. Wifi, screens, laptop, flip charts, and video conferencing available - with IT support on hand. Catering available to suit your event.
