

Somerset Business Mentee Application Form 2023

Thank you for your interest in becoming a mentee. We have trained mentors who are executive and senior management level business leaders, or successful entrepreneurs. Our mentors understand the challenges associated with running and growing a business.

The Somerset Business Mentoring programme will be the catalyst to create a mentoring network across Somerset, unlocking the knowledge and potential of businesses across the county.

Could you benefit from fresh, experienced insight and a sounding board as you run and grow your business? We offer 6 hours of free mentoring over a 6 month period.

If you have been trading for 1 year, please complete this mentee application form and email to somersetbusinesssupport@somerset.gov.uk asap. NB The more information that you can provide at this stage, the faster we will be able to successfully match you with a mentor.
